Biblical-Morality Policy

The Rockbridge Christian Academy's biblical role is to work in conjunction with the home to mold students to be Christ-like. Of necessity, this involves the academy's understanding and belief of what qualities or characteristics exemplify a Christ-like life. The academy reserves the right, within its sole discretion, to refuse admission of an applicant or to discontinue enrollment of a student if the atmosphere or conduct within a particular home or the activities of the student are counter to or are in opposition to the biblical lifestyle the academy teaches. This includes, but is not necessarily limited to, participating in, supporting, or condoning sexual immorality, homosexual activity, or bisexual activity; promoting such practices; or being unable to support the moral principles of Rockbridge Christian Academy.

I have read Rockbridge Christian Academy's biblical-morality policy, and I agree to abide by it.
